Tameside Sport & Physical Activity Network – Volunteer recruitment Form

We aim to recruit as many volunteers as possible in partnership with Action Together into community sports clubs and physical activity groups within Tameside.

Please indicate below what volunteer opportunities you have within your own club/group and then the network will advertise these roles through various social media platforms,

The network will then act as the link by putting the volunteer(s) in touch with yourselves along with offering advice and support if any training is required for them to carry out the role.
